Sponsor a child on a Child's Birthday

On your favorite child's birthday, you can make a difference in the lives of many children by sponsoring them under Payir Trust's care.

Payir is a grass-root, community driven rural upliftment movement striving to see villages in India transform into a socially stimulating, self reliant, growth oriented community rooted in the principles of Truth. Our first project is in Thenur, a rural village in Tamil Nadu in South India.

Your donation will be used for improving the livelihood of the kids in Thenur village:

- Fund the Learning Center in Payir Trust which provides non formal learning to create confidence in children and nurture them into leaders of excellence in local knowledge and crafts
- Support students and teachers of existing schools in the Thenur area by providing required additional training and learning aids needed to enhance their learning/reading skills.
- Provide livelihood for HIV infected children in Thenur and surrounding villages (more details at <http://blog.payir.org/>)

Children will learn the wonderful values of donation for a good cause, at a young age and can be proud of making a difference in the lives of young children their age. **We greatly appreciate your support and patronage.**
